Regal Register (UK) Ltd.

Statement:

This certificate of conformity based on the evaluation of a sample of the above-mentioned products. It does not imply an assessment of the mass-production of the product. The certification body should be informed (revision of technical file) for any modification or alterations made to the aforementioned product type(s). The manufacturer is responsible for the product and ensuring that all manufactured products are in compliance with the specifications declared in the technical construction file.

Further clarifications regarding the scope of this certificate and the applicability of the management system requirements may be obtained by contacting the organization. Check www.regalregistrars.co.uk for current status of the certificate. Whilst all due care and skill was exercised in carrying out this assessment, RRUL accepts responsibility only for proven gross negligence. This certificate remains property of RRUL to whom it must be returned upon request.
